

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

ORDER NO. 79-46

AMENDING ORDER NO. 78-52

WASTE DISCHARGE REQUIREMENTS FOR:

UNION OF AMERICAN HEBREW CONGREGATIONS
CAMP SWIG
SARATOGA, SANTA CLARA COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region, (hereinafter Board) finds that:

1. The Board, on July 18, 1978, adopted Order No. 78-52 prescribing waste discharge requirements for the Union of American Hebrew Congregations, Camp Swig, (hereinafter discharger). Provision C.3. of the Order required the discharger to submit a compliance time schedule to achieve the Prohibitions, Specifications, and Provisions of Order No. 78-52. By letter of February 21, 1979 the discharger has submitted a satisfactory compliance time schedule; requested a slight revision to the spray disposal area boundaries as shown in Attachment A (hereinafter a part of the Order) and also requested the deletion of the dual septic tank citing satisfactory past operations, a commitment to biannual pumping, and the ability to shut the Camp down at any time to meet reliability requirements.
2. These waste discharge requirements result only in the nature of alteration and minor improvement to the discharger's existing facility and as such are exempt from the provisions of the California Environmental Quality Act (Public Resources Code, Section 21000 et seq.) in accordance with Section 15101, Chapter 3, Title 14, California Administrative Code.
3. This Regional Board has notified the discharger and interested agencies and persons of its intent to prescribe waste discharge requirements for the proposed use.
4. This Board at a public meeting heard and considered all comments pertaining to this use.

IT IS HEREBY ORDERED that the Board amends Provisions C.3. and C.8. of Order No. 78-52 to read as follows:

"C. Provisions

• • •
• • •

3. The discharger shall comply with the following time schedule to assure compliance with the specifications of this Order:

<u>Task</u>	<u>Completion Date</u>	<u>Report of Compliance Due</u>
a. Installation of spray runoff-return system	May 10, 1979	May 15, 1979
b. Complete modification of the spray disposal system	April 30, 1979	May 15, 1979
c. Documentation of compliance with specification B.4 (public warnings)	May 30, 1979	June 15, 1979
d. Complete installation of spray field posting and fencing.	May 30, 1979	June 15, 1979
e. Installation of 19,000 gallon holding tank	April 15, 1980	May 1, 1980
f. Modification of chlorine residual system to meet "8. Disinfection" of the "Requirements of Design for Reclamation Facilities"	May 30, 1979	June 15, 1979
g. Documentation that all facilities meet Requirements of Design for Reclamation Facilities	April 15, 1980	May 1, 1980

...
...

8. The discharger shall submit to the Executive Officer by May 15, 1979, a contingency plan for the continuous operation of facilities for the collection, treatment, and disposal of waste similar to that described in Regional Board Resolution No. 74-10. This contingency plan shall also incorporate operation and maintenance procedures to assure normal day-to-day operations.

...
..."

I, Fred H. Dierker, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on April 17, 1979.

FRED H. DIERKER
Executive Officer
